

CORONAVIRUS (COVID-19) Precaution Measures

As courtesy to our drivers, plant workers, and staff.

Medical Waste Disposal is asking that customers **please notify us in advance of any pickup that may contain Coronavirus waste (COVID-19).**

It is Mandated that the waste is **TRIPLE BAGGED, tied off and placed in a container with a secured lid.**

This will increase the safety for our drivers, plant workers, staff and their families.

We will continue monitoring the situation with health authorities for any new information or updates on special precautions. Currently, government agencies are not requiring any other special packaging for this type of waste required under USDOT Div. 6.2 – Regulated Medical Waste (RMW).

For increase in pickup frequency, special pick up request or questions:

- Email us at Service@MedicalWasteDisposal.com
- Or Call us at 800-563-3854
